

# 4-H HORSE BARN RULES

1. Think **SAFETY** first. All 4-H safety rules do apply...**ALL THE TIME!**
2. You must use the stall assigned to you. Barn Manager must approve ANY changes.
3. Use the sign that was provided to put horse and exhibitor's name on the stall door.
4. No bicycles are allowed on the Fairgrounds at all.
5. Water containers - **MINIMUM of 15 GALLONS**. No exceptions. Must be kept clean.
6. Feeders must hold enough feed for a single feeding. No ground feeding! **Strictly enforced.**
7. Hay nets must be tied high enough to prevent a horse from tangling a leg in it.
8. Exercising of horses is to be done in the designated areas only.
9. Cross tying in stalls only.
10. Stalls are not to be locked.
11. Stall doors are to be closed both top and bottom when you are not in the barn.  
Exceptions must be approved by the Barn Manager.
12. Washing is to be done at wash racks only.
13. Roll up hoses when not in use.
14. Clean stalls daily and dump manure in designated areas only.
15. No sleeping in the stalls at night. No campers in the stall areas at night.
16. No equipment to be left on stalled horses.
17. No people (horse) play or swinging of ropes around horses stalled or in aisles.
18. Bedding is required. Bedding may be purchased from the Fairgrounds.
19. Tack must be kept in tack stalls, and halters must be easily accessible.
20. Horses are not to be tied in the alleyway for any reason, other than tacking up.
21. No bareback riding outside of the arenas.
22. **Exhibitors must WALK horses outside of the arenas.**
23. **NO RIDING in barn at all.**
24. Only horses being shown may be stalled in the barn.
25. No driving in the barn.
26. Only one horse per stall.
